PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from HEB Construction Limited, notification of intention to operate two cranes at Stead Street, Invercargill, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could not constitute a hazard in navigable airspace.

THEREFORE, I HEREBY ISSUE a

in respect of the above notification.

The following conditions are specific to this Determination:

3. HEB Construction must establish a means of direct communication with ATC and the Safety Officer at Invercargill Airport (rob.somers@invercargillairport.co.nz) so that the cranes can be requested to be temporarily lowered if considered an immediate safety concern; and
4. HEB Construction Limited shall advise the CAA (aeronautical.services@caa.govt.nz) when the crane operating at the Stead Street site is no longer required.

This Determination of No Hazard shall become final on 5th November 21 unless a petition for review is received by the Director prior to that date.

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.
