Te Mana Rererangi Tūmatanui o Aotearoa

NAVIGABLE AIRSPACE DETERMINATION: 30 Hospital Road, Otahuhu, Auckland.

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Latham Construction 2004 Limited, notification of intention to operate a mobile crane at 30 Hospital Road, Otahuhu, Auckland, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane is not to exceed a maximum height of 87.6m AGL; and

2. The crane is to be lit and marked by day and night IAW CAA Rule Part 77 Appendix B; and

3. Prior to the crane being erected, Latham Construction 2004 Limited is to contact Auckland International Airport Limited (AIAL) (Ross.cameron@aucklandairport.co.nz) and request a notice to airmen (NOTAM) is issued for the operation of the crane; and

4. Upon receipt of the above, AIAL is to issue a notice to airmen (NOTAM) and request from Aeropath inclusion into the AIP for the duration of the operation until 2025; and

5. When the crane has been lowered and no longer in use, Latham Construction 2004 Limited is to notify AIAL and request the AIP publications are restored to normal; and

6. When the crane has been lowered and no longer in use, Latham Construction 2004 Limited is to notify CAA (quote 23/77/34 – aeronautical.services@caa.govt.nz).

This Determination of Hazard shall become final on 21st April 2023 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 20th day of March 2023.

Sean Turangarau Kere Rogers,
Manager Aeronautical Services
