

Application for Test Pilot Approval – Experimental Flying

Note: The CAA Standard Rate hourly charge applies.

Section A – Applicant

Notes: 1. Experimental flying requires a test pilot to be approved in accordance with CAR 19.405. See AC19-1 for a definition of Experimental Flying and details of the Test Pilot assessment and approval process. 2. If this application involves test flying of an amateur-built aircraft, use form 24019/03. 3. Assessment of a test pilot application is a chargeable activity at the rate specified in the applicable Civil Aviation Charges Regulations.
