

Airworthiness Directive Schedule

Aeroplanes

Cessna 195 Series

28 November 2013

- Notes**
1. This AD schedule is applicable to Cessna 195 series aircraft manufactured under FAA Type Certificate No. A-790.
 2. The Federal Aviation Administration (FAA) is the National Airworthiness Authority (NAA) responsible for the issue of State of Design Airworthiness Directives (ADs) for Cessna 195 series aircraft. State of Design ADs applicable to Cessna 195 series aircraft can be obtained directly from the FAA web site. The link to the FAA web site is available on the CAA web site at http://www.caa.govt.nz/Airworthiness_Directives/states_of_design.html
 3. The date above indicates the amendment date of this schedule.
 4. New or amended ADs are shown with an asterisk *
