Dear

**Cancellation of the suspension of your medical certificate under Section 271(7)(e) of the Civil Aviation Act 1990.**

I refer to my earlier notice dated \_\_\_\_\_ (Copy attached) wherein I suspended your medical certificate.

I am now satisfied that you are once again able to exercise safely the privileges to which your medical certificate relates. I am further of the opinion that you are eligible for a medical certificate as of today in terms of section 27B of the Civil Aviation Act 1990. Accordingly, pursuant to section 271(7)(b), I hereby cancel the suspension placed on your certificate in my above quoted letter.

Yours sincerely

Director of Civil Aviation/Delegate
